**RIBP**

**ROLLING BIG POWER TIRE**

Our **mission** is to provide off-road enthusiasts with high-quality purpose-built tires at an unbeatable value.

Our **vision** is to lead the off-road tire revolution. Our core values are to learn, teach, and innovate.

Rolling Big Power specializes in building **the world's best tires** ranging from 31 inches to 40 inches in flotation sizing, and 15 inches to 26 inches in standard sizing. RBP tires are ideal for every truck, Jeep, SUV and CUV.

Using industry-leading compounds, tread patterns and technology, our tires are capable of handling **all kinds of terrain** from mud, dirt, snow and rain.

Who is Turbo Tires?

# TURBO TIRES

Turbo Wholesale Tire has been a trusted tire supplier, leading the industry with a keen focus and understanding of the Independent Tire Dealer. From modest beginnings, the company has evolved into a national and international supplier of its proprietary brands, while continuing to stay true to its service roots.

# Repulsor A/T Plateau

**All-Terrain, for light trucks and SUVs**

## FEATURES & BENEFITS

**REPULSOR**  
**A/T PLATEAU**

### Conquer Any Terrain with Confidence

- Tackle mud, gravel, sand, or rocky trails without hesitation — the interlaced pattern blocks create longer ground edges for exceptional grip, letting you handle complex road conditions with ease.

### Reliable Winter Grip When You Need It Most

- Stay safe and in control on snowy roads — the sawtooth groove edges and high-density sipes bite into snow and ice, delivering the traction needed to pass the demanding 3PMSF test.
- **3-Peak Mount Snowflake Certified**

### Optimal Handling in Any Environment

- Enjoy balanced, predictable handling whether you're on the highway or off-road — the computer-optimized void ratio and full-depth tread design give you both confident cornering and excellent water evacuation.

### More Miles, More Value

- Get the most from your investment — the advanced all-terrain tread compound and optimized contact shape spread out road stress, ensuring even wear and a longer service life.

### Extra Protection Where It Matters Most

- Drive over rough, rocky trails without worry — the aggressive blade-style sidewall pattern boosts off-road handling while shielding your tires from damage caused by stones and sharp debris.

### 50,000 Mile Limited Treadwear Warranty

**Covered by the Rolling Big Promise, 2 Year Limited Replacement Policy with Road Hazard.**

**62 sizes**

**Mud Terrain, for light trucks, SUVs and crossovers**

## Features and Benefits

- Proprietary blend of advanced tread compounds.
- Beefy 3-ply sidewalls and progressive pitch variation design provide excellent off-road performance.
- Excellent traction in rain, sleet, mud, snow, and everything else in between.
- Optimized off-road performance is achieved by using large staggered tread elements, wide grooves and an open shoulder design that improve surface traction in soft and loose terrain, and deep mud.
- The upper sidewall design and biting edges ensure maximum performance on the trails.
- Available in 33" to 40" applications, making it suitable for any truck.
